

NPCI/2025-26/BBPS/003/AD1

30th May 2025

To,

All Operating Units

NPCI Bharat BillPay Ltd.

Respected Sir/Madam,

Subject: Addendum to Circular NPCI/2025-26/BBPS/003 - Review of eligible payment modes for bill payment on BBPS

This is in reference to the circular NPCI/2025-26/BBPS/003 dated 14th May 2025 regarding the review of eligible payment modes for bill payments on BBPS platform.

In furtherance to the aforementioned circular and as observed from the available records NEFT and IMPS are eligible payment modes across various payment channels and categories of BBPS which are not being actively utilized by customers for bill payment transactions. Further, "Internet Banking" shall continue to be an eligible payment mode for applicable categories and channels.

In the event of inadvertent misuse of these payment modes, it may result in reporting of inaccurate data / information to BOU or biller. Hence, it has been decided that the aforementioned payment modes shall be disabled for all channels and categories on BBPS effective 05th June, 2025.

We request all members to take a note of this and ensure its implementation accordingly.

Warm Regards,

Bharat Bill Payment System
