

Tally Solutions integrates with NBBL's Bharat Connect for Business to enable seamless, connected workflows for Enterprises and MSMEs

By uniting invoicing, payments, and reconciliations, Tally and NBBL help businesses work faster, smarter, and with more financial confidence

Mumbai, 23 October 2025: Tally Solutions, a leading technology player in the Business Management Software (BMS) ecosystem, today announced the integration of NPCI Bharat BillPay Ltd. (NBBL's) **Bharat Connect for Business** platform into **TallyPrime**. This integration creates an interoperable, connected environment where businesses can manage invoicing, supplier interactions, collections, payments, and reconciliations more efficiently, improving their cash flow and reducing delays and streamlining operations.

This integration will further enhance the **efficiency** of businesses in managing their financial workflows. By facilitating and **streamlining time-sensitive tasks**, businesses will benefit by saving valuable time while scaling growth. Some of the features include:

- Seamless ERP-to-ERP Invoice Exchange where invoices move directly between systems, reducing manual effort and errors
- Automatic recording of supplier invoices -ensures consistency and saves time.
- Instant notifications on customer payments for timely financial tracking.
- Automated AR & AP Reconciliation: Streamlines receivables and payables, improving accuracy and cash flow visibility.

Elaborating on the collaboration, **Ms. Noopur Chaturvedi, MD & CEO, NPCI Bharat BillPay Ltd.**, said, *"Bharat Connect for Business is designed to empower all businesses through a frictionless and interoperable infrastructure. Through this integration, MSMEs onboarded by Tally can now operate in a more connected environment where invoices, payments, and reconciliations work hand in hand. This collaboration will accelerate the adoption of digital practices while enabling a unified experience across the entire ecosystem of businesses, banks, and customers."*

Speaking on the collaboration, **Tejas Goenka, Managing Director, Tally Solutions**, said: *"At Tally, our mission has always been to simplify business for SMEs. The integration with Bharat Connect for Business is another step in that direction, allowing businesses of all sizes to benefit from a truly connected and seamless way to manage their transactions from invoicing to payments and reconciliation. This will significantly improve how MSMEs operate, allowing them greater control of cash flow and financial health."*

With this integration, Tally Solutions continues to strive towards its vision of connected and intelligent business solutions that support MSMEs across India in digitizing their critical processes, managing cash flow seamlessly and staying ahead in an increasingly dynamic world today.

About NPCI Bharat BillPay Limited:

NPCI Bharat BillPay Limited (NBBL), a wholly-owned subsidiary of the National Payments Corporation of India (NPCI), is at the forefront of digital payments and collections, driving financial inclusion and enhancing customer convenience. NBBL offers a unified, interoperable, and accessible ecosystem for

bill payments and collections, enabling secure and reliable “Anytime, Anywhere” transactions for individuals and businesses.

Through its Bharat Connect (BBPS) platform, NBBL caters to individual users with seamless bill payment solutions across diverse categories. For B2B, it provides ERP interoperability, streamlined collections, invoice management, reconciliation, and access to structured financing options. Developed by NBBL, Banking Connect is a net banking solution that enables interoperability between banks and payment aggregators, allowing customers to transact with greater ease and speed across merchants through banks. It is also designated settlement agency for the Open Network for Digital Commerce (ONDC), ensuring safe, secure, and reliable settlements on the platform.
